PRIMER BASE

SILICONE MAKE UP BASE

Primer Base is a silicone base that on the skin surface forms a thin mesh which smoothes and tightens skin imperfections. The product should be applied on cleaned skin, preferably after using the cream, and before applying fluid. The light, gel consistency does not burden the skin, ensuring that the base is evenly spread and remains in place for longer time.

EAN: 5901571044217.

READY STEADY GLOW*

MAKE UP FIXER SPRAY

Illuminating make-up fixing mist with a moisturising effect of D-panthenol. The mist is perfect for everyday care, optimally moisturises and beautifully brightens the skin. To use as fixing or highlighting mist.

EAN: 5905309904040.

UNICORN TEARS

FACE PRIMER

Multi-function face primer in the form of an nourishing elixir that protects your skin against free radicals. Apart from aesthetic effects, it also provides strong and effective care action. Its rich formula ensures improvement of skin condition, deep moisture and revitalization. Acai, goji and cranberry extracts are rich in vitamin C and antioxidants. They make your skin smooth and radiant. Its special light formula does not leave oily film on your face and significantly increases the adhesion of foundation in order to enhance the make-up durability. Besides its care qualities, the primer also perfectly illuminates the skin and works great as a make-up foundation. Perfect for all types of skin.

EAN: 5901801632474.

FIXING SPRAY

PHOTO FINISH

Forget make-up touch-ups. Make-up fixing Spray. Thanks to a lightweight formula, it is sprayed free without any burdening effect. Regulates excess sebum and shinning of the skin. Fixing spray is designed to keep your makeup in unchanged form and to protect it from heat, moisture, wind, or cold.

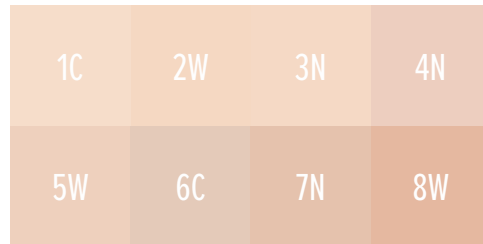

EAN: 5901801625988.

SKIN PERFECTOR LONGWEAR FOUNDATION

ROYAL SHIMMER

HIGHLIGHTER

Pressed ROYAL SHIMMER highlighter is an innovative WIBO highlighter, this time as an evening special. Gives even greater lustre and perfectly illuminates your complexion with mix of different sizes of sparkling particles. Thanks to the silk content, it ensures perfect application and satin finish. The collagen contained in it acts against wrinkles, leaving an effect of smoothness and radiance. Provide illuminated and vital look.

EAN: 5901801608530.

DIAMOND ILLUMINATOR

HIGHLIGHTER

Diamond highlighter in stone. Rich in vitamin E and silk proteins. Gives the skin a softness, smoothness and silkiness. Jojoba oil contained in highlighter moisturises and forms a protective film that protects the skin from drying. Use: to come up with an effect of an unusual glos on the skin, apply the highlighter on the cheeks, forehead, and chin.

EAN: 5901801606901.

MILLION DOLLAR GLOW

HIGHLIGHTER

The face and body highlighter with wonderful bounce formula, thanks to which each make-up becomes multidimensional. The product does not emphasize imperfections or wrinkles and the particles contained in it match any skin tone. It will perfectly illuminate every part of the body.

EAN: 5901801657866.

MILLION DOLLAR BODY

HIGHLIGHTING BRONZER

Highlighting bronzer for face and body. The innovative bounce formula gives the skin color and glow in a 3D dimension. It is perfect for warming up the skin, but also for highlighting the existing tan. The multidimensional particles contained in it allow you to achieve a spectacular effect on the face, body and in eye makeup.

EAN: 5901801657859.

PRO BEAUTY SPONGE

A perfectly shaped sponge, thanks to which your makeup will perfectly match your complexion providing for a long-lasting and natural make-up. Indispensable when distributing the primer. Possibility of perfectly applying cosmetics in even the hard-to-reach places - under the eyes, on the cheekbones or around the nose. It also ideally suited for contouring the face.

How to use: gently soak the sponge in water and spread the primer.

EAN: 5901801630913.

FLOCK SPONGE

It is a soft sponge for make-up, ergonomically shaped. Its innovative structure enables wet and dry use. Wet application works for liquid foundations, concealers and face contouring. Thanks to its small fibres, dry application is perfect for powders and highlighters. With its unique structure, the applicator intensifies coverage when applying foundations and concealers.

EAN: 5901801644057.

MAKE UP SPONGE

A soft beauty blender in an ergonomic shape. It permits precise application even in the most inaccessible places. Irreplaceable in applying a make-up foundation, concealing imperfections or contouring the face. Moisten the blender before use for optimum softness. A wet blender keeps the product on the surface instead of absorbing it.

EAN: 5901801685074.

TRIANGLE

POWDER PUFF

It works great with baking-type make-up, contouring and fixing. Its ergonomic shape makes it possible to precisely apply the product. The puff is made of a soft and delicate fabric. It makes it easier to evenly powder face and fix your make-up during the day. It is perfect for both loose and pressed powders.

EAN: 5905309903302.

OIL ABSORBING SHEETS

MATTIFYING TISSUE

Mattifying tissue. The tissue papers are fast and simple way to help your skin maintain a long-lasting feeling of cleanliness and freshness. With the help of the tissues you can on an ongoing basis correct makeup, mattifying greasy parts of the face. The mattifying tissue provide an effect of immediate matting. They eliminate unsightly skin shine through absorption of excess sebum, without disturbing the carefully done makeup. They provide fresh and perfectly matte appearance all day around. How to use: apply a single tissue to luminous face skin and momentarily press firmly. Do not rub the skin, so as not to damage the makeup. Hence, a cleaned skin can be you powdered again.

EAN: 5907439136124.

GIANT LASHES* MASCARA

A mega lash volume mascara. Thanks to the large silicone wand, it perfectly combs the eyelashes out and gives the false lash effect.

EAN: 5901801617365.

MAKE IT LAST* WATER RESISTANT MASCARA

Eyelash mascara is ideal for even the harshest conditions - water and sweat proof. The silicon applicator brush perfectly lifts and separates the lashes. The unique formula adds volume and amps up the thickness. The fantastic consistency of the mascara guarantees its long-lasting effect - the product does not crumble and stays on all day long. For make-up removal you only need the standard products - no additional cosmetics are required.

EAN: 5901801686835.

VITAMIN YOUR LASHES EYELASHES CONDITIONER

Package consisting of two tubes in each of which is an undisclosed formula each of which has different action. One being responsible for growth, the other for revitalisation. Thanks to it you will restore lustre of damaged eyelashes, regenerate, stimulate growth and thicken eyelashes. The formula responsible for growth has PROVIT-II, which consists of vitamin A, E, H, B5 and B8 as well as omega-6 and omega-3. The rich composition ensures stimulation of growth. The Lashes lengthen and thicken. The second component of the conditioner provides nutrients revitalisation, smoothing and moisturising. All this thanks to the active CHYDRAXAN CH ingredient, which moisturises the hair structure.

EAN 5901801612469.

INCREDIBLE GEL TOP COAT

Innovative gel top coat, light curing, without need to use professional UV/LED lamp. Creates a thick, intense glossy protective coating. Constitutes the last of three steps needed to make a super-durable gel manicure that you can now do yourself at home. Guaranteed to last up to 10 days!

EAN : 5901801611608.

CALCIUM MILK THERAPY

NAIL CARE

Conditioner for weak, slow-growing nails with dry plate. Strengthens through proper moisturising, resulting in faster growth of the nail and improves its condition. Contains UV filters, calcium, milk proteins, oak and linseed extracts. How to use: Directly onto the nail plate or as a polish base coat. Product protects the polish against cracking and wearing away. Gives the nails an incredible shine as well magnify polish colour.

EAN : 5901801603665.

DIAMOND HARD

NAIL CARE

Strengthening conditioner for fragile and brittle nails. Contains diamond dust known for its hardening properties. Its purpose is to harden the nail plate, bestow it with elasticity and resilience. Prevents cracking and splitting. How to use: shake before use. Apply a layer directly on the nail plate. Wait until it dries.

EAN : 5901801603641.

GEL LIKE TOP COAT

NAIL CARE

Gives in an effect of gel nails when applied on the polish, protects polish against chipping off and wearing away. Leaves a thick protective layer, smoothes and gives the nails intense shine.

EAN : 5901801603627.

IRON HARD

NAIL CARE

Prolonged manicure lifetime. Formulation protects the polish against cracking and abrasion. Gives nails an amazing shine, and strengthen polish color.

EAN : 5901801603610.

SOS WEAK NAILS

NAIL CARE

Regenerating conditioner for restoring severely damaged nails. It smoothes the plate, reduces flakiness, moisturises, revitalises, makes elastic, and brightens. Contains UV filters, vitamin complex, calcium, and the plant extracts: lemon extract, aloe vera, grapefruit, pomegranate, and ginseng. How to use: apply a layer directly on the plate, wait until it dries. The product may also be used as a polish base coat or as top coat.

EAN : 5901801603658.

HEALTHY NAILS

NAIL BASE

A base for exceptionally soft, weak and fragile nails. It contains AHA, PHA acids, vitamin E, squalane and bamboo extract that strengthen and nourish the nails. Apply it directly on the plate twice a week or as a base under nail polish.

EAN : 5905309903319.

9 IN 1 ARGAN

POWER

NAIL CARE

A conditioner that helps keep your nails in perfect shape. Works comprehensively, on over nine different spheres. The formulation has strengthening, moisturising, anti-ageing, remineralizing, bleaching, curing, antioxidant, antifungal properties as well as offering UV protection.

EAN : 5901801612483.

SERUM WITH

KERATIN NAIL SPA

NAIL CARE

Luxury nail and skin conditioner based on thermal water, contains keratin and honey. Strongly nourishes, makes the nails and skin strong, nourished and moisturised. Thanks to honey and vitamin E content, it regenerates and moisturises the skin and nails. The keratin in it builds up the nail plate and significantly improves its condition.

EAN : 5901801612056.

MATTE EFFECT TOP COAT

Matte Effect Top Coat is the perfect solution for people who want to enjoy a matte finish of their favorite glossy nail polish. The varnish will extend the durability of your manicure and cover it with a matte layer. Apply this transparent Matte Effect Top Coat onto the dried layer of colored varnish.

EAN: 5901801698203.

NEW!
